

Queries and Clarifications: Hiring of Data Centre Services

SN	Bid Requirement	Query	Clarification
1.	The CSP should have an average annual turnover of INR 500 Crores and positive net-worth for the last three financial years (FY 2016-17, 2017-18 and 2018-19).	Amendment Requested : The CSP should have an average annual turnover of INR 100 Crores and positive net-worth for the last three financial years (FY 2016-17, 2017-18 and 2018-19). Reason : The Project scope is less than 5 Crores	No change, same as bid.
2.	The CSP should be able to provide publicly available SLAs for storage and compute services and should be equal or more than 99.9%	Amendment Requested : The CSP should be able to provide publicly available SLAs for storage and compute services and should be as per MEITY Standard Guidelines	As per MeITY guidelines
3.	CSP should be in Gartner's Leader quadrant	Request to remove this point as this is not giving a fair chance for all the MEITY Empanelled Qualified vendor. Moreover 'make in India' is being promoted (refer to the attached circular) Also please include that CSP must be in the latest MEITY Empanelment list providing GCC	Accepted.
4.	Virtual Machine or Physical server - Up to 3.1 GHz Intel Xeon® Platinum 8175 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 4 CORE 32GB RAM, OS - Windows Server with SQL Server ENT Licenses	Virtual Machine or Physical server - Up to 3.1 GHz Intel Xeon® Platinum 8175 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 4 CORE 32GB RAM, OS - Windows Server with SQL Server Std with managed Database service. Managed Database Services with SQL Std provides all enterprise features, with 99.95% monthly SLA uptime and lower cost of ownership.	No Change, same as bid.

SN	Bid Requirement	Query	Clarification
5.	Virtual Machine or Physical server - High frequency Intel Xeon processors, Burstable CPU, governed by CPU Credits, and consistent baseline performance 16 CORE 64 GB RAM, OS 9- Windows Server with SQL Server ENT Licenses	<p>Virtual Machine or Physical server - High frequency Intel Xeon processors, Burstable CPU, governed by CPU Credits, and consistent baseline performance 16 CORE 64 GB RAM, OS 9- Windows Server with SQL Std Server with managed Database service.</p> <p>Managed Database Services with SQL Std provides all enterprise features, with 99.95% monthly SLA uptime and lower cost of ownership.</p>	No Change, same as bid.
6.	Please add	<p>The CSP should support incremental storage volume with provisioned IOPS up to 64000 with snapshot capability.</p> <p>With increasing volume of transactions over 5 years it is important that the storage systems are capable of supporting high volume of read write operations. If the storage does not scale enough that might become a bottleneck for all other components.</p>	Not Accepted.
7.	Please add	<p>CSP shall have fully managed AI/ML services for time series forecasting g and generating recommendations.</p> <p>With future workloads and data generation, AI/ML services help in personalized recommendations, modernizing your contact center, improving safety and security, and increasing customer engagement.</p>	Not Accepted.
8.	Please add	<p>CSP should support serverless architecture to run code without provisioning or managing servers.</p> <p>Modern application use serverless architectures for the ease of use and manageability of infrastructure.</p>	Not Accepted.

SN	Bid Requirement	Query	Clarification
9.	CSP should be in Gartner's Leader quadrant	This will reduce the bidders to two CSP ONLY i.e. out of 12 empaneled CSP with MEITY only two CSP can participate and rest 10 will be disqualified. Hence request you to kindly remove the same	Accepted.
10.	The CSP should provide all variants of cloud service as per MeitY guidelines. <ul style="list-style-type: none"> ▪ Infrastructure as a Service ▪ (IaaS), ▪ Platform as a Service (PaaS) ▪ Software as a Service (SaaS) ▪ Dev/ Test Environment as a Service (DevOps) 	SaaS is broad term. Can we know which service they are looking under this category? We would request to dilute this point	All services as per RFP and MeITY guidelines for CSPs.
11.	Internet bandwidth per month. Minimum speed of 300 to 500 Mbps	As per the understanding, there are two type of Model in Bandwidth, one is Volume based, and second is speed based. Kindly choose any one of the mode either Mpbs based Model or Per GB/TB based model	Up to 500Mbps unlimited Download/Upload
12.	Web Application Firewall per Rule	Please let us know the number of Application to be configured behind the WAF. Also, Rule based model is available with limited cloud provider. Please remove the rule based pricing as it give Vendor Advantage to specific cloud provider. Kindly provide Specific requirement application wise. Like Number of Application to put behind WAF and throughput required.	Please read - "Web Application Firewall with Min. 10 Gbps throughput.
13.	DDOS with 10 Gbps Throughput	In Comparison to 300 Mbps Internet Bandwidth DDOS of 1Gbps to 1.5 Gbps is sufficient, As this can mitigate the 5 times of internet. Kindly re-consider DDOS size.	No Change, same as bid.

SN	Bid Requirement	Query	Clarification
14.	Virtual Machine or Physical server - High frequency Intel Xeon processors, Burstable CPU, governed by CPU Credits, and consistent baseline performance 16 CORE 64 GB RAM, OS - RHEL	Generally, Each vendor has built there cloud on specific processor model because this is cloud specific requirement so dedicated machine configuration does not Applicable. This will give advantage in vendor locking. Please change the requirement to generic as this will not allow the all MeiTy vendor and remove the competition in BID.	Bidders to provision VMs on INTEL CPUs based servers and ensure consistent performance
15.	Virtual Machine or Physical server - Up to 3.6 GHz Intel Xeon® Platinum 8000 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 4 CORE 16 GB RAM, OS - RHEL	Generally, Each vendor has built there cloud on specific processor model because this is cloud specific requirement so dedicated machine configuration does not Applicable. This will give advantage in vendor locking. Please change the requirement to generic as this will not allow the all MeiTy vendor and remove the competition in BID.	Bidders to provision VMs on INTEL CPUs based servers and ensure consistent performance
16.	Virtual Machine or Physical server - Up to 3.1 GHz Intel Xeon® Platinum 8175 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 4 CORE 32GB RAM, OS - Windows Server with SQL Server ENT Licenses	Generally, Each vendor has built there cloud on specific processor model because this is cloud specific requirement so dedicated machine configuration does not Applicable. This will give advantage in vendor locking. Please change the requirement to generic as this will not allow the all MeiTy vendor and remove the competition in BID.	Bidders to provision VMs on INTEL CPUs based servers and ensure consistent performance
17.	Virtual Machine or Physical server - Up to 3.1 GHz Intel Xeon® Platinum 8175 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 4 CORE 32GB RAM OS – RHEL	Generally, Each vendor has built there cloud on specific processor model because this is cloud specific requirement so dedicated machine configuration does not Applicable. This, will give advantage in vendor locking. Please change the requirement to generic as this will not allow the all MeiTy vendor and remove the competition in BID.	Bidders to provision VMs on INTEL CPUs based servers and ensure consistent performance

SN	Bid Requirement	Query	Clarification
18.	Virtual Machine or Physical server - Up to 3.1 GHz Intel Xeon® Platinum 8175 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 2CORE 16GB RAM OS – RHEL	Generally, Each vendor has built there cloud on specific processor model because this is cloud specific requirement so dedicated machine configuration does not Applicable. This will give advantage in vendor locking. Please change the requirement to generic as this will not allow the all MeiTy vendor and remove the competition in BID.	Bidders to provision VMs on INTEL CPUs based servers and ensure consistent performance
19.	Virtual Machine or Physical server - Up to 3.1 GHz Intel Xeon® Platinum 8175 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 4CORE 32GB RAM OS – RHEL	Generally, Each vendor has built there cloud on specific processor model because this is cloud specific requirement so dedicated machine configuration does not Applicable. This will give advantage in vendor locking. Please change the requirement to generic as this will not allow the all MeiTy vendor and remove the competition in BID.	Bidders to provision VMs on INTEL CPUs based servers and ensure consistent performance
20.	Virtual Machine or Physical server - Up to 3.1 GHz Intel Xeon® Platinum 8175 processors with new Intel Advanced Vector Extension (AVX-512) instruction set 8CORE 64GB RAM OS – RHEL	Generally, Each vendor has built there cloud on specific processor model because this is cloud specific requirement so dedicated machine configuration does not Applicable. This will give advantage in vendor locking. Please change the requirement to generic as this will not allow the all MeiTy vendor and remove the competition in BID.	Bidders to provision VMs on INTEL CPUs based servers and ensure consistent performance
21.	Virtual Machine image storage in case of VMs	Please explain the purpose of Virtual Image, is this use for dumping the snapshot of VMDK files or VM machine backup. Is it a Object Storage, Please elaborate.	Bidder needs to keep the Virtual Machine image (VMDK files) for all the VMs and also keep data backup of complete storage up to 16 TB.
	BRLPS may visit and review the work environment of the data center. The service provider should be able to provide secured internet and remote access through MPLS connectivity for connecting the servers at State Project Management Unit, Patna and through SSL connectivity from	Kindly let us know SSL Connectivity. Does the remote user will require SSL VPN Connection. If Yes, How many users. Also, what is the purpose of MPLS	SSL VPN Connections as per RFP and MPLS link required between BRLPS HQ, Patna and Cloud.

SN	Bid Requirement	Query	Clarification
	<p>any other location</p> <p>The SSL connectivity and MPLS connectivity must support at least 10 concurrent users</p>	<p>connectivity. Is there any MPLS need to be required in the project, if yes who will provide MPLS link and what is the bandwidth. Please elaborate the requirement of MPLS.</p> <p>MPLS connectivity Component is missing in BOQ.</p> <p>Kindly provide the Address of Project Management unit for MPLS for feasibility.</p>	
22.	<p>Cyber security and Data Security at data center should adhere to International Standard certificates. The service provider should provide 3-Tier Architecture and appropriate security in each layer. The Server Infrastructure includes and provides Managed Security Services through assigned dedicated persons, Performance monitoring & configuration management, and Virus/Malware/Spyware Monitoring and Incident resolution and reporting. Escalation Matrix must be defined well in advance and any changes must be updated to BRLPS well in advance. Details of all tools and software to be shared with the client on regular basis and any change to be notified well in advance</p>	<p>Please let us know the current security stack.</p> <p>Here, For any incident management do you need SIEM or SOC monitoring. If Yes, Please add the Component in BOQ for SIEM Please let us know, if SIEM is required. What are the numbers of devices to be monitored in SIEM.</p> <p>Online logs retention like: standard 1 Month</p> <p>Offline logger: 6 Month retention.</p> <p>Please provide the detailed information and add the component in BOQ</p>	<p>Standard Security measures applicable as per MeITY guidelines. Bidder has to submit valid MeITY empanelment letter mentioning the Data Centers from which the services would be provisioned.</p>
23.	<p>The virtualization platform used should be on globally accepted Platform like VMware except for the Oracle Database server which will be hosted on dedicated physical server. Managed services includes Operating System management, Database backup, restore and recovery, FTP services and ensuring Remote access to required number of users via internet</p>	<p>Who will bring the oracle license, what is current oracle edition and version</p> <p>Configuration for Oracle server mentioned in the RFP has been taken from Specific cloud vendor, Kindly provide generic configuration like Number of Physical core for Oracle, RAM in GB etc.</p>	<p>Existing ORACLE license in name of BRLPS shall be used.</p>
24.	<p>Migration of existing Infra to new cloud Infra. Storage of approx. 11 TB. Including connectivity and bandwidth provisioning as required.</p>	<p>What is the exact size of Data, and Daily data generation in GB, What type of Data like Application, DB files.</p> <p>In RFP, At page 56 has clause "migrate the platform with —Zero Down time or</p>	<p>Details of data shall be shared with the selected bidder</p>

SN	Bid Requirement	Query	Clarification
		<p>maximum of 5 Working days down times" Kindly relax the clause as this will provide Advantage to existing vendor Only.</p>	
25.	Generic Queries	<ul style="list-style-type: none"> ▪ Please provide the existing platform details like Database and Application Architecture. ▪ How user are Authenticated in existing method ▪ Assuming, NO Disaster Recovery is required .Please confirm. ▪ Please provide the current full Data Size in GB or TB, ▪ Full DB size in GB/TB, and ▪ Daily incremental growth in data in GB. ▪ Who will provide MS SQL Enterprise License, Will you use existing License? 	Please refer Bid document.
26.	<p>CSP should have capability to leverage BYOL for windows and oracle products.</p> <p>Documentary Evidence: Relevant documents or public facing URL</p>	<p>We understand that a Self-Certificate by Authorized Signatory of the Bidder would be acceptable as the relevant documentary evidence for complying the clause. Please confirm our understanding.</p>	Self-Certificate by Authorized signatory is acceptable
27.	CSP should be in Gartner's Leader quadrant	<p>This particular clause is preventing free & fair participation of MeitY empanelled CSPs and has inadvertently restricted the opportunity amongst only two firms. This will limit BRLPS [JEEViKA] to have the best possible solution from experienced and competent MeitY, Govt. of India empanelled Cloud Service Providers (CSPs) at the most competitive price point. We would request BRLPS [JEEViKA] to</p>	Accepted.

SN	Bid Requirement	Query	Clarification
		kindly remove this clause to promote wider participation which would benefit the procurement process of BRLPS [JEEViKA].	
28.	Storage & Back-up of BRLPS Cloud Infrastructure should be managed by SAN storage of around 20 TB on all Flash platforms with commitment of Input/output operations per second (IOPS) up to minimum 1000 scalable 10,000 per TB. Scheduled Tape/disk based back-up every day at EOD. Full back every 15 days and differential back-up of last 14 days to be taken.	Cloud service is a managed environment where cloud storage is given as a service. There is no SAN storage. Kindly change the given clause.	Accepted.
29.	Data Centres should be compliant at a minimum with the following -PCI DSS Level 1	Kindly add given clause under CSP criteria as it is one of the mandatory compliance requirements for cloud platforms. Levels of PCI DSS certification specify the no of transactions per month that the platform has been certified for. Level 1: Platform certified for over 6 million card transactions per year.	No Change, same as bid.
30.	CSP should be in Gartner's Leader quadrant	To be cloud specific. Please modify the clause as - CSP should appear as leader in Gartner Magic Quadrant for Cloud Infrastructure as a Service, Operational database Management, Public Cloud Storage Services, Disaster Recovery as a Service, Mobile application development Platform, Copy of third-Party Reports should be provided.	Gartner's Leader Quadrant clause removed.
31.	SOC 1/2/3 compliance	Please confirm if SOC 1,2 & 3 all are required or SOC 1,2 or 3 would suffice	No Change, same as bid.
32.	Important Technical Suggestion	For a better performance assurance, we suggest you to add the point: CSP should ensure 99.9% uptime at individual VM and proposed component level.	No Change, same as bid.

SN	Bid Requirement	Query	Clarification
33.	Rs. 4,00,000.00 to be paid through online mode. (i.e. NEFT / RTGS, Credit / Debit Card & Net Banking) only NO EXEMPTION is allowed from submitting bid security. Bid security may also be paid through Bank Guarantee issued from any scheduled Bank. The Bank Guarantee should be issued in the name of Bihar Rural Livelihoods Promotion Society, Patna. The Bank Guarantee should be valid till bid validity period. Bidder has to upload the scanned copy of Bank Guarantee on e-Proc portal and original copy of same should be submitted within 7 days from the date of opening of bid, otherwise the bid will be treated as Non-Responsive. Bid received without bid security as above will be treated as non-responsive.	<p>Request to add that bidders registered with MSME with valid certificate duly issued by GOI are exempted for submitting Bid Security.</p> <p>This will motivate MSME registered companies, who are also capable to deliver cloud services, to participate in this bid</p>	This assignment comes under the World Bank Financed Project named Bihar Transformative Development Project (BTDP). As per provision contained in the Project Appraisal Document (PAD) of the BTDP, “No special preference will be accorded to any bidder either for price or for other terms and conditions when competing with foreign bidders, State Owned Enterprises, Small Scale Enterprises or Enterprises from any given State”.
34.	SECTION IV – BIDDING FORMS	<p>Request you to upload BIDDING FORMS in word document format which bidders can download and use for bid submission.</p> <p>This will help us in bid documents preparation.</p>	The bidding forms are already uploaded along with bidding document in PDF at the time of publication of advertisement. Hence, cannot be changed now.
35.	Forms of Bid Security	<p>Request you to upload Forms in word document format which bidders can download and use for bid submission.</p> <p>This will help us in bid documents preparation.</p>	The bidding forms are already uploaded along with bidding document in PDF format at the time of publication of advertisement. Hence, cannot be changed now.
36.	MANUFACTURER’S AUTHORIZATION	<p>Request you to upload Form in word document format which bidders can download and use for bid submission.</p> <p>This will help us in bid documents preparation.</p>	The bidding forms are already uploaded along with bidding document in PDF format at the time of publication of advertisement. Hence, cannot be changed now.
37.	The bid shall be signed by a person duly authorized to sign on	Request you to confirm if the authorized	It is clarified that authorized person has to sign

SN	Bid Requirement	Query	Clarification
	behalf of the Bidder. The authorization shall consist of a written confirmation as specified in the BDS and shall be uploaded along with the bid.	person can prepare various bid documents with his/her digital signatures on it? Or the authorized person needs to prepare various bid documents with his /her handwritten signature only?	the bid documents with her/his handwritten signature.
38.	The Purchaser requires the Supplier to disclose any commissions or fees that may have been paid or are to be paid to agents or any other party with respect to the bidding process or execution of the Contract. The information disclosed must include at least the name and address of the agent or other party, the amount and currency, and the purpose of the commission, gratuity or fee.	We will require more clarity, does it pertain to sub-contracting?	No, it is not pertaining to sub-contracting.
39.	The payment-delay period after which the Purchaser shall pay interest to the supplier shall be NIL days.	We will want late payment charges after the due date.	No change. Same as per bid.
40.	A Performance Security shall be required. 5% of the completed contract value shall be submitted by the successful bidder in the form of Bank Guarantee issued from a nationalized bank valid for six (06) months beyond the contract period. The performance security shall be released within 30 days after completion of service obligation and payment thereof.	Can we remove this requirement; TC does not have the facility to provide Performance security.	No change, same as per bid.
41.	The maximum amount of liquidated damages shall be: 10% of the contract price.	Can we suggest damages to be only applicable credit allowances due and/or customer's right to terminate a particular service	No change, same as per bid.
42.	"The Supplier warrants that all the Goods are new, unused, and.....If having been notified, the Supplier fails to remedy the defect within the period specified in the SCC, the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.	We will want to keep the warranties standard terms or those common in the industry, can it be modified to suggest that we will perform services in workmanlike manner and have authority to execute the contract and will comply with law.	No change, same as per bid.

SN	Bid Requirement	Query	Clarification
43.	"The Supplier shall, subject to the Purchaser's compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims,....."	>> Can we restrict IP Infringement to replacement by supplier to a non Infringing product/service. > Further considering the Services are network related there is very less probability of IP Infringement.	No change, same as per bid.
44.aggregate liability of the Supplier to the Purchaser, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the supplier to indemnify the purchaser with respect to patent infringement.	Can we suggest the cap to be the most recent twelve (12) months of charges collected.	No change, same as per bid.
45.	If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.	Can we block 60 days as deadlock for FM to be invoked, Also FM shall be except for Customer's payment obligations	No change, same as per bid.
46.	In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 35.1(a), the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Supplier shall be liable to the Purchaser for any additional costs for such similar Goods or Related Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.	We will not prefer to agree to such risk purchase clause. Suggest deletion. We will want the right to terminate in case of breach	No change, same as per bid.
47.	The Purchaser, by notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to	Termination notice period shall be 90 days also early termination changers shall apply.	No change, same as per bid.

SN	Bid Requirement	Query	Clarification
	which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.		
48.	The Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Purchaser.	Prices should be inclusive of taxes.	Not Accepted. Prices should be quoted in the attached Price Schedule. The amount of GST will not be considered for evaluation of bids.
49.	Unless otherwise specified in the SCC, the Goods supplied under the Contract shall be fully insured—against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterms or in the manner specified in the SCC.	In place of fully can suggest "required by applicable law and is customary in accordance with best industry standards."	This bidding document is a standard bidding document of the World Bank. This assignment is a Non Consulting Services and the provision of " <i>Contract shall be fully insured—against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery</i> " is applied for supply of Goods. Hence, not applicable in this assignment.
50.	<p><u>Eligibility Criteria for the Managed Service Provider (MSP)</u></p> <p>2. The Bidder should have an average annual turnover of INR 3 Cr and positive net-worth in last three financial Years.</p> <p>Documentary Evidence:</p> <p># Extracts from the audited Balance sheet and Profit & Loss; for any three consecutive three financial years (FY 2016-17, 2017-18, 2018-19 and 2019-20)</p> <p># Certificate from the Statutory Auditor/ Company Secretary/ CA on turnover details for the last three (3) financial years</p> <p># Certificate from the Statutory Auditor/ Company Secretary/</p>	<p>Due to the prevalent COVID-19 situation we have not been able to convene the AGM and file our audited accounts. So we would request BRLPS [JEEViKA] to allow Company Secretary signed un-audited financial statements for the FY 2019-20 for Eligibility Criteria and other tender compliance.</p> <p>For all earlier FYs ending on 31st March 2019, we can provide the audited financials and CA certificates.</p> <p>Kindly confirm the acceptance of our request.</p>	It is clarified that "The Bidder (Managed Service Provider (MSP) should have an Average Annual Turnover of INR 10 crore and positive net-worth during the last three financial years i.e., 2016-17, 2017-18 & 2018-19 along with required documentary evidences as mentioned in the bid document.

SN	Bid Requirement	Query	Clarification
	CA on positive net-worth for the last three (3) financial years		
51.	<p>Eligibility Criteria for the Managed Service Provider (MSP)</p> <p>3. The Bidder Should have the following Certificates valid as on the date of bidding.</p> <p># ISO 27001:2013</p> <p># ISO 9001:2008 / ISO 9001:2015</p> <p># ISO 20000:2011</p>	<p>To evaluate the quality and process related standardization & maturity of the project delivery capability of the MSP and Bidder we would request BRLPS [JEEViKA] to request for valid ISO 9000:2015, ISO 20000:2011, ISO 27001:2013 and CMMi – Level 3 as on date of bid submission.</p> <p>This would ensure the quality level of the project delivery as envisaged and required by BRLPS [JEEViKA].</p> <p>Kindly confirm the acceptance of our request.</p>	No Change, same as bid.
52.	Payment will be made on a Quarterly basis on successfully meeting the service level and on submission of availability and performance report on quarterly basis.	As per the industry standard, we would request BRLPS [JEEViKA] to process the payment on a "Quarterly in Advance" basis.	It is clarified that payment will be made on quarterly basis after completion of one quarter and submission of availability and performance report on quarterly basis along with bill. However, the SLA of current completed quarter will be considered in next quarter payment.
53.	The Bidder should have the experience of executing at-least 3 cloud based projects for any State/ PSU/ Central Government Institution out of which at least one project of value Rs. 50 Lakhs should have been executed in Bihar in last two years	<p>Request for Amendment :</p> <p>The Bidder should have the experience of executing at-least 3 cloud based projects for any State/ PSU/ Central Government Institution out of which at least one project of value Rs. 200Lakhs anywhere in India</p> <p>Reason : In case of MSP bidding and signing the Work Contract they should have earlier executed equal size projects and the limitations should not be to local region only</p>	It is clarified that “Bidder should have the experience of executing at-least 3 cloud based projects for any State/ PSU/ Central Government Institution out of which one project of value Rs. 50 Lakhs should have been executed in the last two years
54.	Bidder should have the experience of executing at-least 3 cloud based projects for any State/ PSU/ Central Government Institution out of which at least one project of value Rs. 50	Bidder should have the experience of executing at-least 3 cloud based projects for any State/ PSU/ Central Government	It is clarified that “Bidder should have the experience of executing at-least 3 cloud based projects for any State/ PSU/ Central

SN	Bid Requirement	Query	Clarification
	Lakhs should have been executed in Bihar in last two years.	<p>Institution/ Private Enterprises out of which at least one project of value Rs. 50 Lakhs should have been executed in Bihar in last two years.</p> <p><u>Justification</u></p> <p>Making it as requested will help in better and maximum participation of bidders having relevant experience for cloud based projects</p>	Government Institution out of which one project of value Rs. 50 Lakhs should have been executed in the last two years
55.	Last Date/Time for uploading the Tender is 14-09-2020 till 04.00 PM and Time and date of opening of bids is 14-09-2020 at 04.30 PM.		<p>It is clarified that last date/time for uploading of tender is changed to 21-09-2020 till 04.00 PM.</p> <p>Time/date for online opening of bids will be on 21-09-2020 04.30 PM.</p>

Note: All the prospective bidders are requested to complete their submission before the date mentioned in the Bid Document to avoid any technical glitches in last hour.
