

CLARIFICATION OF QUERY RECEIVED ON 10.11.2017

As per “note” mentioned in the last page of Price Schedule in the bid document, bidders may add additional lines for the items which are not mentioned in the price schedule but are present in the Technical Specification. For example, JEEViKA Haat (for live demonstration purpose) – 20 Nos. is not mentioned in the price schedule. Bidders have to insert additional line in the end of price schedule and quote rate for the same.
