Project No.: P159576

Assignment Title: **Hiring an agency for Designing, Development, Testing and Maintenance of Skills Portal.**

Reference No. : No. A1.17

The Government of Bihar has applied for financing from the World Bank towards the cost of Bihar Transformative Development Project (BTDP) and intends to apply part of the proceeds for consulting services. The BTDP project will be implemented through Bihar Rural Livelihoods Promotion Society (BRLP) for a period of 6 years. It is expected to cover around 60 lakh poor families spread over 300 blocks across 32 districts of Bihar under the project.

BRLPS has initiated the skill and placement program and trained & placed around 30,000 youth till March 2016. At present BRLPS has a functional Management Information System (MIS) that captures different sources of information and shares different practices and tools among staff and stakeholders. The data is systematized manually and shared through email and other online tools such as google docs and dropbox. However, at the moment the system is not integrated or interactive and does not allow for rapid and efficient search and analysis of information or sharing of best practices. The project will have a MIS which will provide an integrated solution for data collection, management and reporting and streamline data entry in order to ensure easy availability of reports at all levels; a system that will assist with the process of need assessment, offer data for the research and provide indicators of the substance use problems in the community which will be as per the guidelines of the Jeevika Skills. Project had agreement with Frux Software Solutions Pvt. Ltd which was working with JEEVIKA for last two year and has developed the basic JOBS MIS. Now the agency has submitted the source code to BRLPS. The assignment will be approximately for two years, which includes designing, development, testing and maintenance of portal for two years. However, the implementation of this assignment may be stretched to support the team if deemed necessary. For detailed scope of work etc., consultants may kindly refer **Terms of Reference** placed at www.brlp.in
