

BIHAR RURAL LIVELIHOODS PROMOTION SOCIETY

Terms of Reference

For Hiring of Human Resource Agency (HRA) for BRLPS, JEEViKA

Introduction

- Bihar Rural Livelihoods Promotion Society(BRLPS) also known as JEEViKA, an autonomous body under the Department of Rural Development, Govt. of Bihar registered under Society Registration Act, XXI- 1860, has been implementing various projects of Govt. of Bihar in collaboration with World Bank and Government of India like NRLP, NRLM & BTDP etc. The Bihar Rural Livelihoods Promotion Society has been nominated by the Government as nodal agency for implementing and scaling up of these livelihoods programmes in all 38 districts of Bihar under National Rural Livelihoods Mission. BRLPS is in the process of scaling up its interventions. Now, BRLPS has aimed at ambitious target of covering approximately 1.5 Crore poor households under 10 Lakhs SHG. BRLPS is also implementing Bihar Transformative Development Project (BTDP) in 300 blocks of Bihar also known as JEEViKA II. Besides, it is also implementing Deen Dayal Upadhyay Gramin Kaushal Yojana (DDU-GKY), Lohia Swachh Bihar Abhiyan (LSBA) and other programmes in Bihar
- Bihar Rural Livelihoods Promotion Society is led by its General Body, from which a more functional Executive Committee has been formed for taking all policy level decisions and advising the functionaries of the society. Representatives from the Government of Bihar, Banks, Development institutions and civil society form the Executive Committee of the Society.
- The structural arrangement for implementing the NRLM, NRLP and BTDP would be through its three tier structural unit i.e. State Project Management Unit, District Project Coordination Unit (DPCU) and Block Project Implementation Unit (BPIU).
- The State Project Management Unit (SPMU) is headed by the Mission Director cum Chief Executive Officer. This unit proactively works for designing policy, planning interventions and operational strategies for the program under the guidance of its Executive Committee. The State Unit is manned by well qualified and experienced professionals specialized in various themes. The District Project Coordination Unit (DPCU) is operational at District level and coordinating with various stakeholders there. This unit is also responsible to support Block Project Implementation Unit for rolling out of mission activities. The District Unit is headed by District Project Manager and supported by thematic professionals in line with State Team. The Block Project Implementation Unit (BPIU) is key implementation unit for the mission having direct interface with community. The Block Project Manager is the functional head of this unit. BPIU is also having a team of Area Coordinators, Livelihoods Specialist and Community Coordinators along with certain number of support staff. The BPIU is considered the backbone of the mission whose quality and effectiveness determines the effectiveness of the mission. Primarily this unit will work as a mirror functional unit to the Community Organization being promoted under mission. Hence, one of major functions of BPIU will be to facilitate the formation and functioning of Block Level Federation. The block unit will facilitate a graduation process of community representatives who over the years take over completely the functions of the BPIU duly supported by Community Cadres.

Task ahead and need for Hiring a Human Resource agency

As BRLPS is scaling up its interventions and is implementing Bihar Transformative Development Project (BTDP) in 300 blocks of Bihar, Besides, it is also implementing Deen Dayal Upadhyay Gramin Kaushal Yojana (DDU-GKY), Lohia Swachh Bihar Abhiyan (LSBA) and other programmes in Bihar. Therefore, it

has become necessary to hire a suitable HR Agency for conducting the recruitment of requisite staff for BRLPS.

HR agency is expected to help BRLPS in:

- Designing appropriate recruitment and selection process.
- Conducting Online and Offline Written Test
- Developing and facilitating a comprehensive media plan to reach out large pool of job seekers following all due diligence of staff recruitment.
- Conducting decentralized recruitment of staff particularly field frontline staff.
- Ensuring placement in adequate number of recruited individuals.
- Facilitating BRLPS to develop its capacity for undertaking recruitment of its own.

Objectives of the Assignment

The objectives of the present ToR is put up as follows:

Successfully conducting recruitment of adequate number of Human Resources (as stated under section “scope of work”) on time as agreed upon by BRLPS.

- There exists many important learning out of previously conducted recruitment events in BRLPS. These learning provide important insights for both BRLPS and HR agency to design their strategies. The HR agency is expected to keep these learning into consideration while designing and executing the recruitment tasks. These are: Fair and transparent conduct of entire recruitment process as it strongly determines trust among outsiders and builds image of both the parties. The mutual understanding between BRLPS and HR agency in each steps of recruitment brings strong sense of accountability as well as ownership over entire recruitment process.
- Quality of candidate is a NON-NEGOTIABLE for each of the positions to be recruited. BRLPS strongly recommends selection should not compromise at any state and follow uniform standard degree of selection across the recruitment process.
- Mode of written test for the recruitment process will be online/offline.
- The recruitment of field cadre is a very crucial consideration, especially when conducted through decentralized process. The HR agency should have good understanding about expectations what a candidate has and the conditions (both related to infrastructure and administration) prevails in remote places of the state. The information communication plays great role in conducting recruitment on time. The use of media, particularly the print media, is very important in this regard.
- Excellent understanding of the Reservation Policy of Government of Bihar.

Scope of Work

- BRLPS will engage a HR Agency to undertake the requisite recruitment in the state. This assignment will be for **3 years**, effective from its inception date which may further be extended with mutually agreed period subject to the client’s requirement and satisfactory performance of the agency. Any change in the period of assignment will only be made after mutual review/consent by both the parties.
- The BRLPS has exclusive recruitment policy describing standards and guidelines for recruitment and selection of staff. The HRA will adhere to these standards and guidelines and accordingly design the entire assignment processes. It is expected that HRA will make best efforts to recruit individuals with right aptitude and attitude, result orientation, value system and suitable skills.

- The recruitment will be done largely from open market through advertisement in which written test will be conducted through Online/offline method. If agreed by the Society and scope provided under the policy, the recruitment could also be done through Deputation from Government/Academic Institutions/Public Sector Banks/NGOs etc.
- All governance, monitoring and reporting aspect of this assignment will be controlled by the CEO-BRLPS. The HRA will need approval for its activity plan from the CEO on quarterly basis. BRLPS will be in supervisory role for all recruitment and selection events conducted by the HRA. The Society may also involve its representative at any stage of recruitment and selection process undertaken by the HRA.
- The recruitment agency will have to comply with the reservation policy wherever applied in recruitment process according to the HR policy of BRLPS.
- The HR agency is expected to maintain highest degree of transparency. The selection process should be scientific and transparent so as to substantially eliminate biases and unethical practices. The HRA will ensure selection of only those candidates who fulfill the eligibility criteria prescribed for the respective positions. In case of not finding suitable candidates, the HRA will make all possible efforts till the suitable candidate is identified.
- The HRA will follow a structured system of receiving application, scrutinizing them on set criteria, recording reasons for their rejection and releasing shortlist with necessary information as prescribed by client on website.
- The HRA should have sufficient experience of conducting ONLINE examination and have adequate infrastructure for conducting it transparently.
- The HR agency will be responsible to provide the replacement for any candidate leaving within 1 month from the date of joining. The replacement may be made either from the waitlisted pool or through conducting another round of selection process. In such cases, the process of recruitment and selection will be the same as followed earlier.
- Addition or deletion in number of position may be possible as per the actual requirements during the assignment period. This would be worked out mutually between the HR agency and BRLPS which would not be more than 20% of total positions.
- Village immersion would be an integral part of selection process for the positions of Area Coordinators and Community Coordinator. The recruitment agency will conduct intensive village immersion of candidates for the position of Area Coordinators for 2 days including one night stay.
- BRLPS has been experimenting innovative selection process for primary staff (largely Community Coordinator) which includes field testing of shortlisted candidates ranging from 30-45 days. The HRA is expected to come out with implementation design of it, play supervisory role during the entire selection process, facilitate BRLPS for evaluation of candidates placed in field and prepare the final result. The cost of stipend for internship selection of CC will be borne by BRLPS.
- HRA may identify and encourage suitable candidates working in government departments, undertakings, financial institutions, banks, development organizations and other suitable agencies to apply and participate in selection process (to work on deputation). Students from reputed professional institutions may also be encouraged either to participate in selection process or HRA may participate in campus selection in accordance with BRLPS policy and management decisions.
- The information management in each steps of recruitment (particularly in state specific condition) needs CLEAR, EFFECTIVE and ON TIME release of various advertisements, both in English and Hindi. Considering the number of positions to be recruited, managing advertisement would also be considered

as one of a major work for the HR agency. HR agency in consultation with BRLPS will design and develop advertisement. BRLPS will float the advertisement as and when required on its actual cost.

- The recruitment agency has to follow a structured system of receiving application (through both electronic media and written form), scrutinizing them on set criteria, recording reasons of rejection of applications and announcing shortlist with necessary information on website (of both the recruitment agency and BRLPS). Whenever required, the necessary information about scrutiny of application will be provided to BRLPS.
- The HR agency should have robust system of managing applicants' database covering all stages of recruitment and selection as well as prompt response system in respect of recruitment related authentic information to candidates.
- The HR agency should orient HR staff of BRLPS in the recruitment processes and methodology adopted by the agency to provide support as and when required.

Key Task and Responsibility

During the assignment period, HR agency will closely work with BRLPS and perform key tasks and responsibilities as explained below.

Designing Selection Process and finalizing recruitment action plan

The HR agency will be responsible for designing recruitment and selection process for different levels of staffs and get it approved by BRLPS before actual recruitment starts.

Eligibility criteria in terms of qualifications and experiences for each position are attached as Annexure-I.

In case, candidates do not turn up for joining after selection, it will not be considered as completed task on behalf of the HR agency. The payment schedule of the assignment would necessarily be linked with the output of final joining of staff on time.

Competency Requirement of HR agency

- The HR agency will put in place a full time high caliber team consisting of a dedicated Team Leader; key senior HR and recruitment experts; interview specialist and sufficient number of administrative assistants. It is desirable that key members, including the specialists proposed for the assignment are full time staff of the Agency. The core team of key professionals must include a Team Leader, a Co Team Leader, and three Expert members having minimum PG degree qualifications with relevant experience as stated below. The Team should be supported by 2 technical staff with IT competence to manage recruitment related database/information & documentation and 2 staff to manage general administrative work at different stages of recruitment. This team is expected to carry out the assignment with high degree of accountability and manage all necessary documentation for any obligations arising in future. It is further envisaged that the team, placed by HR agency, will have the profile of the best in the business. The expected individual profile of key professionals and team members to be engaged for the assigned is as follows:
- The Team leader should have a minimum of 15 years experience in planning, designing strategy & framework along with developing, directing and managing similar assignment/large scale recruitment in development sector with a Post Graduate Degree in Management.
- The Co-Team leader should have a minimum of 10 years experience in coordinating, execution and managing similar assignment/large scale recruitment with a Post Graduate Degree in Management.
- The expert team member-1 and member-2 should have a minimum of 7 years of experience in recruitment and selection methodology with a post graduate in psychology/ Management.
- The expert team member-3 should have a minimum of 7 years of experience in the recruitment in development sector (having expertise to capture pro poor attitude/behavior of candidates) with a post graduate degree in Management/MSW/Rural Management.

The key tasks, deliverables and time frame of the assignment

The key tasks, output and time line will be as follows:

- Inception report will be submitted with detailed work plan for entire recruitment, approach to the assignment and proposed selection methodology for the given positions. The work plan will include the final out put chart with exact timeline. After approval of BRLPS, this work plan will be treated for all review and payment against the tasks.
- The selection methodology and its execution along with work plan for entire recruitment will be prepared, discussed and finalized in consultation with State Project Manager- HRD of BRLPS and approval of CEO, BRLPS only.
- An exclusive office is set up by the HRA at state headquarters and manned with committed Human Resources. System (both manual and web based) is in place with approval of BRLPS for inviting application management and final result submission. The HR agency will prepare and submit status report on progress/completion of processes, tasks etc. against work plan quarterly/half yearly/annually to

BRLPS for review and incorporating necessary changes in the light of learning for improving the recruitment.

Advertisement release and database management

- The HR agency will design the advertisement for vacancies in consultation of Human Resource Department of BRLPS and approval of CEO, BRLPS and will notify the same in leading daily newspaper (in Hindi, and English). The advertisement will further be notified on reputed web-portal visited by job seekers in development sector. The vacancy will also be notified through other media sources and among relevant alumni networks. The cost of notification of advertisement will be borne by BRLPS.

Outputs

- Advertisement is designed for each round of recruitment and notified in newspapers, web-portals and also among relevant alumni networks. The bills of advertisement raised and payment reimbursed.
- Database is developed of all applications received in response to advertisement released.
- Records maintained of scrutinized applications against the eligibility criteria and short list created of all candidates qualified to attend selection process. The same is also published on website.
- Position wise database to be created for all applications not being shortlisted along with reasons for rejection.

Conducting Recruitment submitting final merit list of selected and waitlist candidates

- Based on agreed action plan, the recruitment will be conducted. The HR Agency will submit the final merit list of the recommended candidates along with waitlist candidate after minimum cut off marks for each category and number of positions. The waitlist could be more than one if suitable candidates are available. The HR Agency will submit the final result of recommended candidates in the agreed set of formats and updated CVs of recommended candidates. The result must be submitted after verification of reference of both selected and waitlist candidates. Position wise merit list to be submitted with detailed grades/score obtained by each of the candidates participated in the selection process. Position wise final recommended list to be submitted along with waitlist after cut off marks for each category and number of positions. CVs of all recommended and waitlist candidates should be submitted in both electronic form and hard copy. The credential verification of all recommended and waitlist candidates completed and report of the same to be submitted.

Maintaining Recruitment Records

- HRA would be accountable for checking the veracity and authenticity of information furnished by selected candidates. The liabilities under the contract will extend beyond the contract period in respect of the authenticity of various information furnished by the HR Agency about the selected candidates. Hence the HR Agency would be liable to compensate any liability arising out of the performance of this contract either during or up to 2 year from the expiry of the contract.

Output

- The required information regarding any steps of recruitment process is shared on demand.
- All record related to recruitment and selection under this assignment is maintained and accessed by BRLPS whenever required.

Duration of the Assignment

- The total duration of the assignment is envisaged for 3 years. After initial recruitment, recruitment process will be conducted by the agency as and when required by the project for the next 3 years. There will be monthly review by BRLPS to assess progress and quality of recruitment. Based on continued satisfactory performance and requirement of the mission, the contract could be extended further on mutually agreed terms and condition.

Review and Monitoring of the Assignment

- The HR agency will prepare a detailed time-bound implementation work plan for implementation of the aforementioned task. Overall, progress on implementation of the agreed work plan will be the basis on which the performance of the HRA be judged. In addition, the HRA will prepare monthly activity plans and share with BRLPS. In case, BRLPS has any objections related to assignment deliverables, it will inform the HRA in writing. The HRA will comply with the recommendation made by BRLPS and accordingly complete the assignment at no additional cost.

Services and Facilities to be provided by the BRLPS

The following support will be extended by the BRLPS to achieve outcomes of the assignment:

- The BRLPS will provide all the guidelines, provisions, and norms related to conducting recruitments viz. number of vacancies, document on Reservation Policy of Government of Bihar, HR Manual of BRLPS, other programme manuals and other necessary information required for completion of this assignment.
- The CEO, BRLPS may constitute a steering committee comprising of 3-4 members to monitor and review the progress and performance of this assignment.
- The CEO, BRLPS may nominate its representative in any of the selection process.
- SPM-HRD will be the Nodal Person for this assignment from BRLPS.
- BRLPS will provide support in publication of all recruitment related advertisements at its own cost.
